There is some things that always bugged me about portrayals of Ebenezer Scrooge in most adaptations of A Christmas Carol

Question: Ebenezer Scrooge has invested 60% of his money in share A and the remainder in share B. He assesses their prospects as follows:

In the novel A Christmas Carol, the spirits of Christmas - past, present and still to come - visit Ebenezer Scrooge. But first comes the ghost of his late partner, Jacob Marley, who serves to ...

The Forbes Fictional list gives him the equivalent of \$8 billion, but that is honestly pretty stupid. There is no indication that Scrooge is in the upper echelon of the London elite, he is a fairly

12 11 - Ebenezer Scrooge has just been elected the new President of Christmasland. As his first action, he is thinking of introducing an excise (or commodity) tax on either Santa hats or Christmas lights.

Would Dickens's contemporary readers have inferred that Ebenezer Scrooge was Jewish? In Charles Dickens's "A Christmas Carol", Ebenezer Scrooge is not explicitly said to be Jewish, but
